

Put complete protection at the core of your crop

Healthy yields are crucial to a healthy livelihood, so your crop needs complete protection. With the proven lineup of products from Arysta LifeScience, you can keep your orchard safe from harmful pests and diseases all season long.

Kasumin[®]

BACTERICIDE

With a unique mode of action and no resistance issues, KASUMIN[®] is here to help you win the fight against Fire blight.

Ph-D

FUNGICIDE

When your apple crop shows signs of Powdery mildew*, it's time to get your PH-D[®]. Its unique mode of action works quickly and effectively.

Procure

FUNGICIDE

For prevention of Powdery mildew on your apple and pear crops, a unique mode of action and long residual control make PROCURE[®] the gold standard.

Dimilin

INSECTICIDE

This versatile product for pear crops is tough on pear psylla, rust mites and codling moth – and goes easy on beneficial insects.

Rimon

INSECTICIDE

Provides protection from pear psylla and codling moth for pear growers in Washington, Michigan and Oregon. RIMON[®] is also registered for treatment of codling moth for apples.

Acramite

MITICIDE

When two-spotted spider mite and European red mite populations flare up, ACRAMITE[®]-50WS puts them down quickly and effectively. It also offers long residual control and goes easy on beneficial insects.

Kanemite

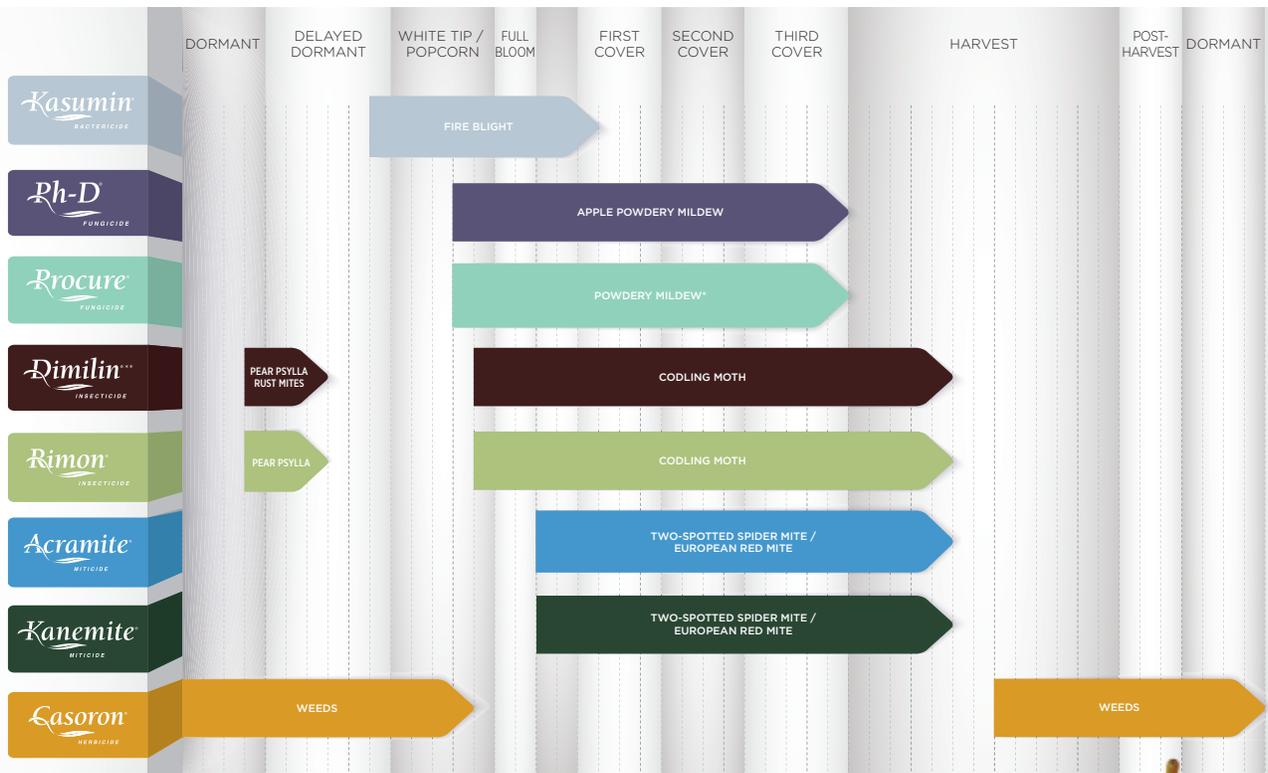

MITICIDE

Quick knockdown makes KANEMITE[®] an irreplaceable tool in the fight against two-spotted spider mite and European red mite. Plus, it's easy on the beneficials that help your ecosystem thrive.

Casoron

HERBICIDE

Make sure the nutrients in your soil are reserved for your trees, and your trees only. CASORON[®] provides broad-spectrum control of even the toughest grasses and weeds, such as horsetail (*Equisetum* spp.) and morning glory/ bindweed (*Convolvulus* spp.).

*On apples, apply PROCURE first and then rotate with PH-D for maximum efficacy.
 **DIMILIN is registered on pears; not registered on apples.

Usage Chart

	SIGNAL WORD	CHEMICAL CLASS GROUP NUMBER	REI	PHI
KASUMIN [®]	CAUTION	24	12 HOURS	90 DAYS
